1 Triumph of Christ

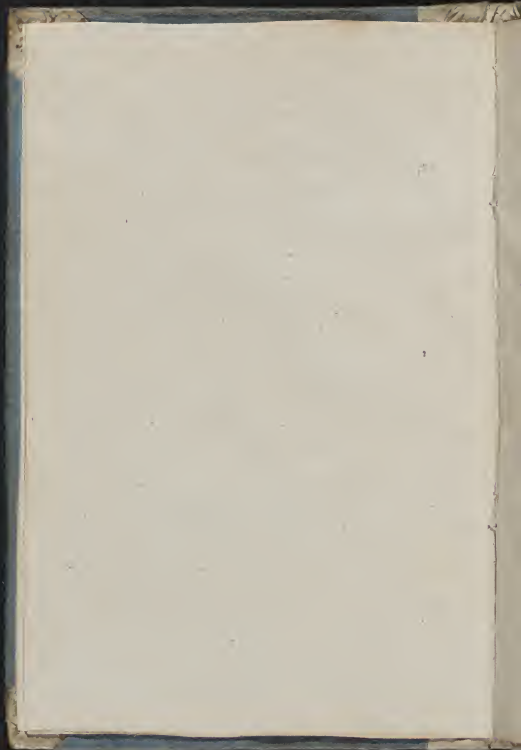

1-7 The seven deadly sins  
Conquered

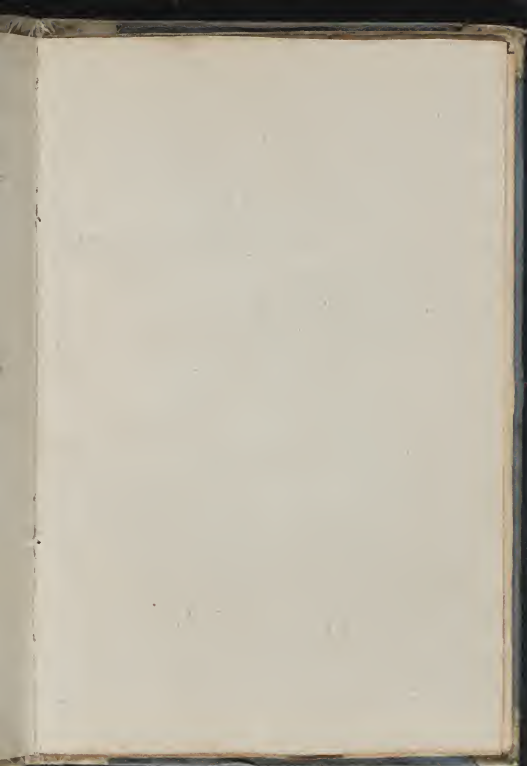

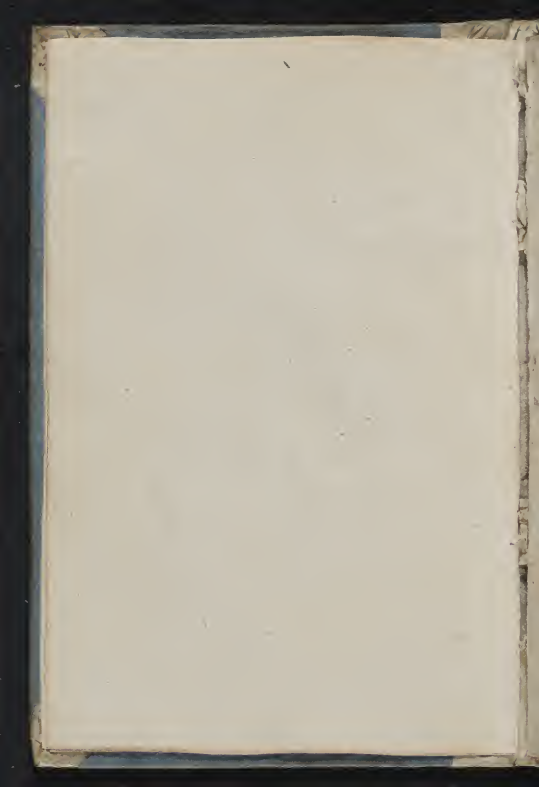

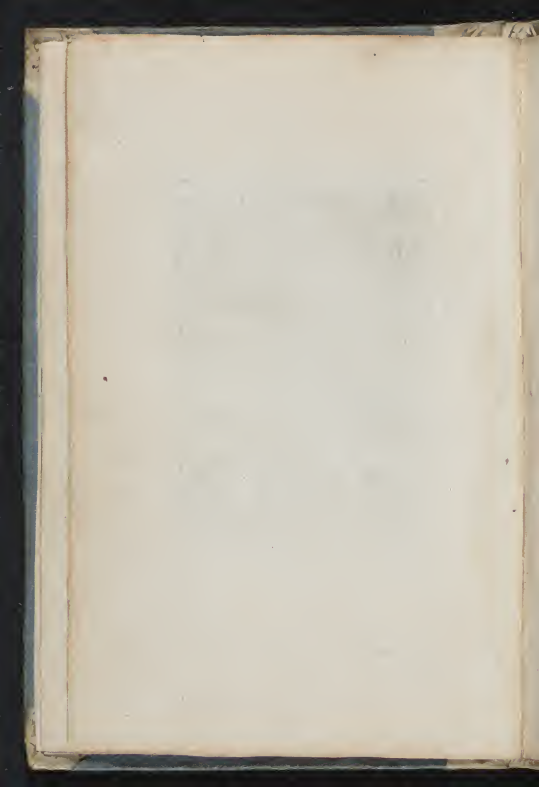

*Invehitur curru septeno ex hoste triumphans  
Christus, tu tanto sub Duce victor eris.*

*Theodor. Galle excud.*

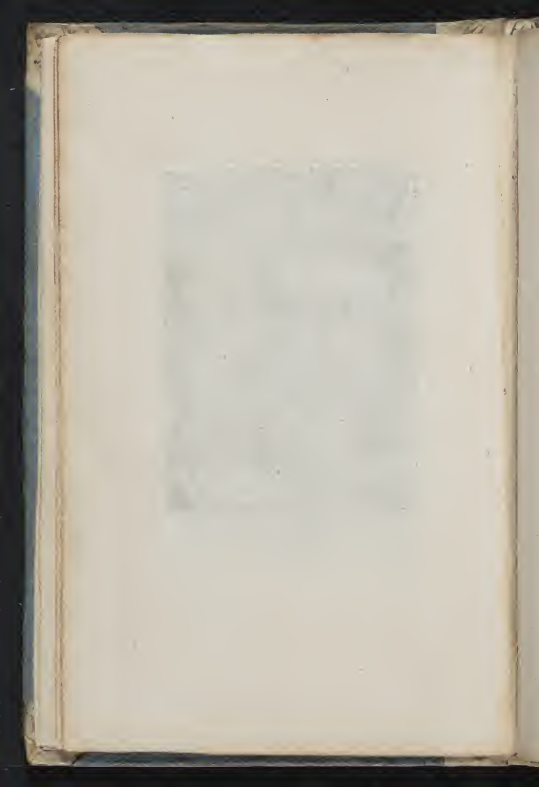

*Quis male nunc sceptrum, quis nunc Diadema requirat?  
 Illud arundineum es, et Diadema ferit.*

*Aspice nudatum Christum, si te ardor habendi  
Solicitat: Christus quæ abjicit, ipse cupis?*

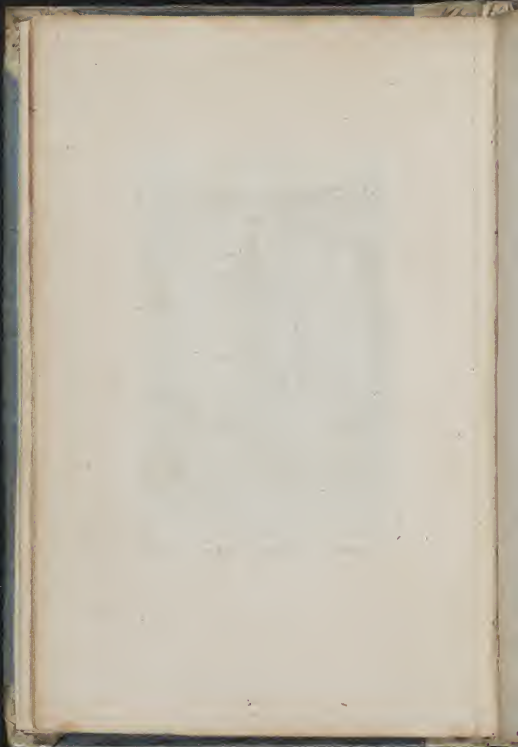

*Irarum hic genus omne fuit: sed sanguine Christi  
 Illata, iam minus hinc Ira furoris habet.*

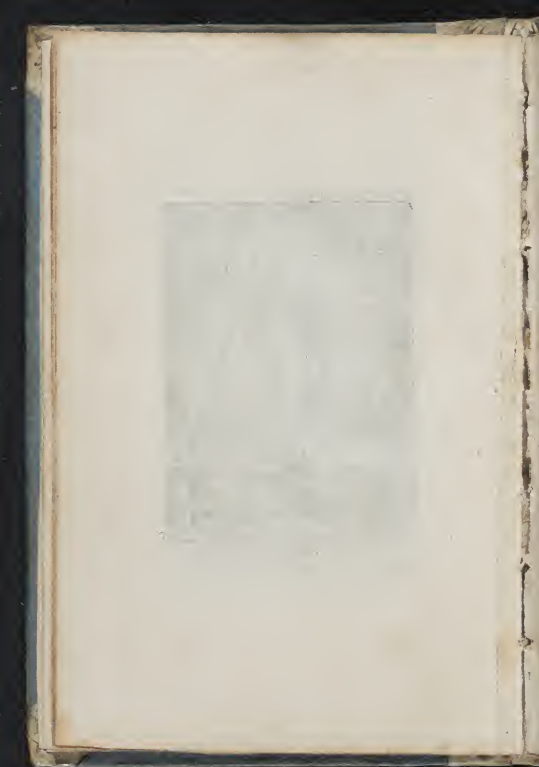

*Invida gens Christum morti vouet: ille Parentem  
Dum rogat, Invidia hic victa ab amore cadit.*

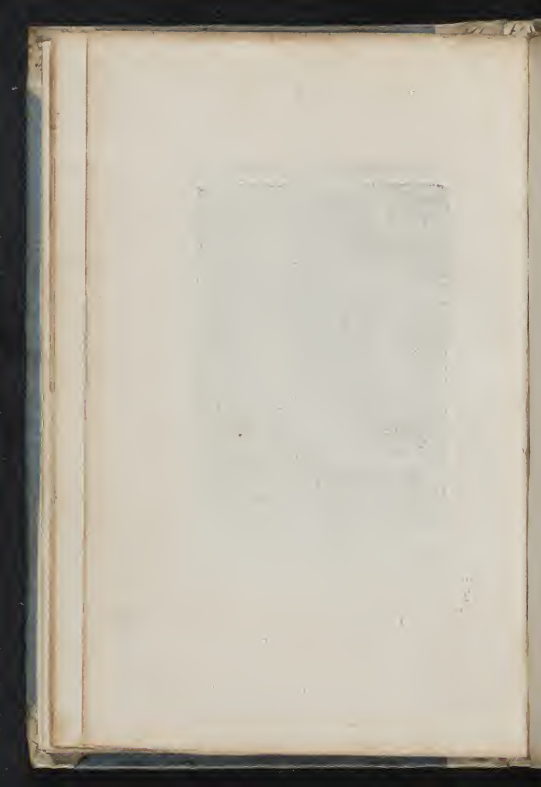

Nectarei calices dotesque hinc cedite mensæ.  
 Dulcior hic facta est fella amarities.

*Si malus has flammis exercet in ossibus ignis,  
Obruat hunc Christi e pectore lymphæ fluens.*

*Inuigulat Christus, fesso de corpore gutta  
Purpureæ manant. Ociâ iam quis amet?*
